50. NOISE

Tenants, and their guests/pets, shall NOT make any disturbing noise, operate any mechanical, musical, or electrical equipment at such time or such volume, or in a manner that will interfere with the rights and comfort of other residents. Quiet shall be maintained between the hours of 10pm and 7am Monday through Sunday.

51. NOTICE OF ACCIDENTS/INJURIES.

Tenant must notify the Landlord immediately upon the occurrence of any injury to any person or damage to the property or its grounds.

52. PEST CONTROL

Landlord will be responsible for all costs associated with the first pest control treatment for the Property. Tenant agrees to report any pest issues to Landlord for necessary remediation or treatment. It is the responsibility of the Tenant to keep the Property clean. If Tenant consistently lives in an unsanitary environment, Tenant acknowledges and accepts that Landlord is limited in its ability to address the pest situations, and Tenant waives the right to hold Landlord responsible for continual pest control issues. Tenant shall notify Landlord prior to move-in if Tenant has recently lived anywhere that had a bed bug infestation and Landlord may require Tenant to have all furniture or other personal property of Tenant inspected by a pest control specialist prior to move-in at Tenant's expense. If Landlord confirms the presence or infestation of bed bugs after Tenant vacates the Property, Tenant will be charged for the cost of

cleaning and pest control treatments. If Landlord must move other building residents in order to treat adjoining or neighboring units, Tenant may be liable for payment of any lost rental income and other expenses incurred by Landlord to relocate the neighboring residents and to clean and perform pest control treatments to eradicate infestations in other dwellings.

53. DISPUTES, VIOLATIONS, POLICE, INJURIES

Tenant will notify the landlord within 24 hours, in writing, of any noise violations, police visits, disputes with neighbors, fights, or injuries at the property.

54. MALFUNCTIONING APPLIANCES, UTILITIES AND SYSTEM

Tenants will notify Landlord of any damage to the premises or malfunctioning systems, utilities, appliances etc. immediately so they can be repaired.

55. REPAIRS UNDER \$25

Tenants are responsible for all repairs under \$25 (light bulbs, batteries, etc).

56. SUB-LEASING POLICY

Subleasing is **NOT ALLOWED without written permission of Landlord**. Landlord will allow Tenants to sublease their units with permission which will not be unreasonably withheld. All final decisions to approve or deny sublease is in the Landlord's sole discretion. Generally all that is required for Landlord permission to sublease is 1) the applicant is a student at **Drexel University** and 2) the remaining tenants are comfortable with the sublease and the individual. Additionally **the sub-lessee student and their parent co-signer** must provide contact information (full name, email, phone) and execute a sublease agreement.

57. TRASH

Tenants are responsible for trash packaging, trash storage, trash safekeeping, and following all city and local trash ordinances. Landlord will supply one trashcan with lid at the beginning of the lease term. Replacement for any reason is the responsibility of the Tenant at Tenant's cost. All trash is to be placed in secure plastic bags and placed in the trashcans provided. Tenant is responsible for keeping the exterior trashcan area neat and clean at all times. If Tenant fails to keep the exterior trashcan area clean, Landlord may have the area cleaned and the Tenant shall be responsible for all reasonable costs as 'Additional Rent'. All trash/recycling shall be taken to the curb for collection each week by the Tenant. Tenant shall place the bags or trashcans (if not locked) on the curb for collection by the city when appropriate in accordance with all state and local guidelines and ordinances. Tenant shall promptly return trashcans to the trashcan storage area after the trash has been collected by the city. Tenant should be proactive and aware of any changes to trash pickup scheduling due to holidays. The City of Philadelphia inspects the sidewalks for litter continuously. At all times, Tenant will keep the sidewalk litter free to avoid Code Violations issued by the City of Philadelphia. If at any time, Tenant finds litter on their sidewalk, Tenant will dispose of it properly. Tenant shall be responsible for payment of any and all trash-related notices which include but are not limited to fees, penalties, and late fees issued/assessed by the City of Philadelphia. Tenant agrees that the Landlord will **withhold \$250 of the Security Deposit for a period of six months** from the Ending-Date of this lease to cover any City of Philadelphia trash related charges, if any, incurred by the Tenant during the lease term. Any remaining money will be returned to the Tenant at the end of the six month hold period

This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system.
