Dear Srinarayan,

I am pleased to extend an offer to you to join Comcast in the role of Comcast AI Strategy & Transformation Co-op.

We are excited about the prospect of you joining our Company and believe that your skills and experience will enable you to fit nicely with our team. In your new role, you will report directly to me and will be based at our Philadelphia, Pennsylvaniaoffice. As discussed, I anticipate your start date to be September 22, 2026, upon satisfactory completion of pre-employment requirements.

Your starting hourly rate for this non-exempt intern position will be $26.00/hour, less applicable taxes and withholdings.

Because you are being hired into an intern position, you are not eligible to participate in the Company's various health & welfare benefit plans (including, among other things, medical, dental, vision, prescription plan, life insurance, short term disability and/or long term disability). If you work 1,000 hours within your first year of service or 500 hours per year in two consecutive calendar years, you will be eligible to participate in the Company's 401(k) Plan, the details of which will be provided to you upon becoming eligible. If you do not reach 1,000 hours or the 500 hours per year in two consecutive calendar years and are rehired, your eligibility hour tracking will restart upon rehire.

The Company continuously reviews its compensation and benefits programs in an effort to address business needs. As a result, there may be modifications from time to time to the Company's compensation and benefits programs. In the event changes are made, you will be notified in accordance with the Company's policies and procedures.

PRE-EMPLOYMENT REQUIREMENTS

As a condition of employment, you will be required to satisfactorily complete a pre-employment background check, including a criminal background check. Depending upon your position, you may also be required to satisfactorily complete a drug screening test. You will receive an email from our vendor, Cisive. Initial background tasks should be completed within 48 hours. You will need to provide any other supplemental information requested by the vendor in the timeframe(s) they specify. As a condition of employment, you will also be required to execute an Employee Assignment of Inventions and Intellectual Property Rights Agreement.

It should be noted that the above description of your wage, job title, and benefits information in this letter is not intended to create a contract for a specific term of employment; your employment with Comcast is at-will, which means that either party may terminate the employment relationship at any time, for any reason not prohibited by law.

Nothing in this offer letter (or in any prior written or oral communications between you and the Company) is intended to create a legally enforceable agreement or promise.

Finally, you represent that your employment with Comcast does not breach, or otherwise violate or contravene, the terms of any employment or other agreement or policy to which you are a party or otherwise bound, such as a non-compete agreement with a current or previous employer. You understand and acknowledge that any misrepresentation by you during the pre-hire process or thereafter may result in the rescission of this offer, termination of employment, or other appropriate action.

If you are in agreement with the terms contained herein, please select the box next to "I Agree", and then click "Submit" no later than July 22, 2026. If you have any questions regarding the offer letter, you may contact Ty Ross at TYRONGELA_ROSS@COMCAST.COM.

Important I-9 Information:

- We encourage you to complete Section 1 and Section 2 of the I-9 prior to your first day, if possible.
- Prior to your start date, you will receive additional information from your Talent Acquisition Operations Support (TAOS) Consultant regarding next steps to complete the I-9 process.
